FY 2018 Form 471 Application#: 181042004

Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2018 Form 471 deadline in order that our Form 471 E-rate application will be considered as having been filed within the "window". The Form 471 was completed and certified March 27, 2018.

I am the principal of a small private Christian school and I have to wear many hats; one of those hats requires me to be responsible to keep up and file all of the USAC forms and complete required certifications. Up until this year, I have been able to accomplish this task in a timely manner meeting all of the required deadlines. However, due to the preparations that I am required to complete related to our achievement testing as well as other unexpected events toward the end of the filing window I failed to meet the deadline. I realize that previous precedent is for the Commission to grant Form 471 deadline waiver requests if the Form was submitted within 14 days of the Form 471 deadline. Therefore, I respectfully request the FCC view these extenuating circumstances as good cause to waive the Form 471 deadline for this application.

Respectfully submitted,

Kelly Betts, M.Ed.
